Please read each statement carefully and verify you understand these statements as well as the information provided on this application is true and accurate. Acknowledge by signing at the bottom of the page.

- In order to comply with O.C.G.A 43-41-14, The City of Clayton Zoning Administrator is prohibited from and will not issue a permit unless and until each person, whether an individual or a business organization acting through a qualifying agent, intending to perform work as a residential or general contractor, upon making permit application, furnishes to the Zoning Administrator, personally or through his or her authorized agent specifically designated to act on his or her behalf in a sworn written document submitted contemporaneously or previously submitted and maintained by the Zoning Administrator, his or her residential contractor's or general contractor's license number and the identity of any business organization for which such applicant is serving as qualifying agent that is undertaking or contracting as a residential contractor or general contractor to construct or manage the construction.
- All individuals or business entities involved in earth moving operations are required to possess a GSWCC soil and erosion permit (Blue Card). Violation can result in citation and requirement to appear in the City of Clayton Municipal Court.
- All streams within the City of Clayton are both trout waters and 303(d) impaired streams. A **minimum 50' stream buffer** is required around **all** bodies of water within the City of Clayton. The ES&PC Plan must include at least **four (4) BMPs** for those areas of the site that are within one (1) mile upstream of and within the same watershed of impaired waters and which discharge into the impaired stream segment. This complies with O.C.G.A Title 12 Chapter 7 (The Georgia Erosion and Sedimentation Act).
- You are required to hold a **valid** Occupational (Business) License in compliance with City Ordinance Chapter 12 and the Official Code of Georgia Title 48 Chapter 13.

I hereby certify that I have read and completed this application and know the same to be true and correct. I understand this document is for information purposes and **no work will begin until a permit has been issued.**
